## PROFILE SUMMARY

---

I'm focused on Data Analytics with a passion for turning raw data into actionable insights that drive smart, data-informed decisions. As a Microsoft Certified Azure Fundamentals (AZ-900) professional, I have a solid foundation in Azure cloud services and how they support modern data workflows. I'm now focused on building a career in Data Analytics and continuously expanding my data skill set.

## EDUCATION

---

<b>Bachelor of Science (Information Technology)</b> Ghanshyamdas Saraf College of Arts & Commerce CGPA-8.05	2021 - 2024
<b>HSC (Science)</b> Sardar Vallabhbhai Patel Vidyalaya Junior College 75.17 %	2020 - 2021
